

# PROSEP FILTER SYSTEMS LTD

## 3-way TAP

Now you can have hot, cold and filtered water at your fingertips...

The PALLAS 3 way tap offers the ideal way of plumbing in a filtered water supply without having to install a separate tap. Available in a range of colours to harmonise with your kitchen colour scheme: Chrome - Brushed Chrome - White - Bronze - Terre de France. The PALLAS 3 way tap is supplied complete with 3 flexible 3/8" plumbing connections and a 1/4" quick connect fitting to fit most domestic water filters and reverse osmosis units.
